

Identification requirements

To confirm your identity, we require some information from you—this is to protect your benefit against fraud, money laundering and terrorism financing, under the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006*.

Verifying your documents

Identifying documents may be verified through the Document Verification Service (DVS). DVS is a national online system that allows approved government agencies and organisations to compare a member's identifying information with a government record. It is not a database and does not store any personal information. Requests to verify a document are encrypted and sent via a secure communications pathway to the document issuing authority for checking.

If you don't provide authorisation to have documents verified electronically or your documents are incompatible with DVS, you will need to provide certified copies of required documents. Please also refer to the section Certifying your documents.

An electronic copy of your identification documents will be stored in a secure environment and hard copies will be securely stored off-site. All copies will only be used for the purpose of confirming your identity. You need to send in identification with every application.

Certifying your documents

If you're providing certified documents, the certifying authority must confirm in writing you are the valid holder of the identification you are presenting, and any copies are true copies of the original.

IMPORTANT: The certification must include the name, signature, qualification and registration number of the certifying authority (if applicable), and the date of the certification.

The following sample of certifying authorities can certify your documents in Australia:

- Dentist
- Employee of a Commonwealth authority engaged on a permanent basis with five or more years of continuous service who is not specified elsewhere in this document
- Financial Adviser or Financial Planner
- Justice of the Peace (JP)
- Legal Practitioner
- Medical Practitioner
- Member of the Australian Defence Force who is:
 - an Officer; or
 - a Non-Commissioned Officer within the meaning of the *Defence Force Discipline Act 1982* with five or more years of continuous service; or
 - a Warrant Officer within the meaning of that Act.
- Midwife
- Notary Public
- Nurse
- Occupational therapist
- Physiotherapist
- Psychologist.

For a full list of certifying authorities refer to **Schedule 2** of the *Statutory Declarations Regulations 2018* available at **www.legislation.gov.au/Details/F2018L01296**
