**Commonwealth Superannuation Scheme**  
**DIRECTORS' REPORT**  
**For the financial year ended 30 June 2025**  
**DIRECTOR'S REPORT**

The Directors of Commonwealth Superannuation Corporation (CSC, the Trustee), as trustee for the Commonwealth Superannuation Scheme ('Scheme'), submit this financial report of the Scheme for the financial year ended 30 June 2025. In compliance with the provisions of the *Corporations Act 2001*, the Directors of the Trustee report as follows:

**Principal activities**

The Commonwealth Superannuation Scheme ('Scheme') is a hybrid accumulation-defined benefits scheme which provides benefits to its members under the *Superannuation Act 1976* (as subsequently amended). Monies paid to the Trustee for the purposes of the Scheme are held in the Commonwealth Superannuation Fund (CSS Fund). The CSS Fund comprises contributions made by members and employers, income arising from investments, and unrealised and realised changes in market value of investments held within the CSS Fund.

**Review of operations**

Investment performance

By diversifying our investments across high quality assets, including innovative businesses that are typically not accessible either easily, or cost effectively to smaller investors, we've been able to deliver our return objectives for our members, at different stages in their working lives.

CSS default option delivered broadly median or above median returns with compared with cash investment option. Across the 7 and 10-year investment horizons, the CSS default option delivered strong returns when compared to cash option. The CSS Cash option underperformed because it is a pure cash option in accordance with APRA's guidelines for investment options labelled as 'cash', whereas the comparison group contains some 'cash-like' funds with higher risk. As such, the CSS Cash option represents a genuinely low-risk, cash-only investment option for customers.

CSC's primary investment objective is to maximise long-term, real (that is, above inflation) returns for customers, with a target of 3.5% real return per annum over rolling three-year periods for our default option, while keeping risk to an acceptable level (defined as a probability of loss in no more than five years out of 20). This investment objective is designed to provide adequacy in retirement for our average customer. 'Adequacy' is defined by the Australian Superannuation Fund Association (ASFA) as a 'comfortable standard' which accounts for post-retirement cost-of-living adjustments.

**Commonwealth Superannuation Scheme**  
**DIRECTORS' REPORT**  
For the financial year ended 30 June 2025  
Review of operations (continued)

**Investment returns<sup>1</sup> to 30 June 2025**

Option	1 year (% pa)	3 years (% pa)	5 years (% pa)	7 years (% pa)	10 years (% pa)	15 years (% pa)
<b>CSS</b>						
<b>Cash</b>	4.0	3.5	2.2	1.9	1.8	2.2
<b>Default</b>	10.8	9.8	8.7	7.1	7.1	7.8
<b>Australian inflation</b>	2.1	4.0	4.4	3.3	2.8	2.6

<sup>1</sup> All returns are calculated as the annually compounded average rate of earnings after fees and taxes. Past performance is not indicative of future performance. CPI inflation shown to assist with comparison to objectives.

**Changes in state of affairs**

There have been no significant changes in the state of affairs of the Scheme during the financial year.

**Subsequent events**

There has not been any matter or circumstance occurring subsequent to the end of the financial year that has significantly affected, or may significantly affect, the operations of the Scheme, the results of those operations, or the state of affairs of the Scheme in future financial years.

**Commonwealth Superannuation Scheme**  
**DIRECTORS' REPORT**  
**For the financial year ended 30 June 2025**  
**Future developments**

Transformed customer operating model

The Trustee is currently implementing a transformation program across its customer servicing technologies and processes. The engagement platform and initial process redesign elements of the transformation program have been delivered. The next years of the transformation program focus on transitioning several legacy scheme administration platforms into one, modern scheme administration platform. The combined impact of the transformation program across technology, data, people and process is expected to support major uplifts in customer experience (through, for example, data driven and increasing personalised servicing) and improved operational efficiency (through redesigned processes, increased automation and effective eco-system integrations).

**Environmental regulations**

The Scheme is subject to prudential standards issued by APRA under the *Superannuation Industry (Supervision) Act 1993 (SIS Act)*. This includes 'SPS 530 Investment Governance', which contains a requirement for RSE's to consider Environmental, Social and Governance (ESG) risks and opportunities as part of its Investment Governance framework. The Trustee believes it has sound practices in place to achieve long-term sustainable value and positive environmental and social impact across all customers' portfolios.

The Scheme is not subject to any other significant environmental regulations under the law of the Commonwealth or of a State or Territory of Australia.

**Non-audit services**

The Australian National Audit Office (ANAO) is the appointed auditor of the Scheme. Deloitte Touche Tohmatsu (Deloitte) is contracted by the ANAO to provide audit services on its behalf. There were no non-audit services provided by ANAO or Deloitte to the Scheme during the year.

Remuneration for audit services provided during the period (including financial statements audit, associated regulatory return audits and compliance audits) are disclosed in Note 11 of the financial statements.

**Auditor's independence declaration**

The auditor's independence declaration is included on page 15.

**Rounding off of amounts**

The Scheme is an entity of the kind referred to in *ASIC Corporations (Rounding in Financials/Directors' Reports) Instrument 2016/191*, and in accordance with that Corporations Instrument amounts in the Directors' report and the financial statements are rounded off to the nearest thousand dollars, unless otherwise indicated.

**Commonwealth Superannuation Scheme**  
**DIRECTORS' REPORT**  
**For the financial year ended 30 June 2025**

**REMUNERATION REPORT**

This remuneration report, which forms part of the Directors' report, sets out information about the remuneration of the key management personnel of the Scheme for the financial year ended 30 June 2025. The term 'key management personnel' refers to those persons having authority and responsibility for planning, directing and controlling the activities of the Scheme. The prescribed details for each person covered by this report are detailed under the following headings:

- Key management personnel
- Remuneration of key management personnel
- Variable remuneration – 2024-25 financial year
- Deferred variable remuneration
- Transitional payments
- Key terms of employment contracts

**Key management personnel**

The Directors of the Trustee and other key management personnel of the Trustee during or since the end of the financial year were:

Directors of the Trustee

<b>Name</b>	<b>Nominated by</b>	<b>Member of the Scheme</b>
Ariane Barker (Term ended 30 June 2025)	Minister for Finance	No
Juliet Brown	Minister for Finance	No
Melissa Donnelly	President of the ACTU	No
Lee Goddard	Chief of the Defence Force	No
Andrea Hall	Minister for Finance	No
Jacqueline Hey	Minister for Finance	No
Garry Hounsell (Chair) (Term ended 31 December 2024)	Minister for Finance	No
David Mulhall	Chief of the Defence Force	No
Arundhati Tandel (Appointed 1 July 2025)	President of the ACTU	No
Janet Torney (Chair) (Appointed 31 March 2025)	Minister for Finance	No
Alistair Waters (Term ended 30 June 2025)	President of the ACTU	No

Other key management personnel

<b>Name</b>	<b>Position</b>	<b>Member of the Scheme</b>
Paul Abraham	Executive Manager, Investment Services (Until 27 April 2025)	No
Catharina Armitage	Chief People Officer	No
Robert Firth	Chief Risk Officer (Ceased 4 July 2025)	No
Damian Hill	Chief Executive Officer	No
Andrew Matuszczak	Chief Transformation and Information Officer	No
Adam Nettheim	Chief Customer Officer	No
Alana Scheiffers	General Counsel (Ceased 27 May 2025)	No
Alison Tarditi	Chief Investment Officer	No
Nevein Versace	Chief Risk and Compliance Officer (Appointed 18 August 2025)	No
Andy Young	Chief Operating Officer	No

The terms and conditions of membership of the Scheme for any key management personnel are the same as for any other member who are not key management personnel.

**Commonwealth Superannuation Scheme  
DIRECTORS' REPORT  
For the financial year ended 30 June 2025  
Remuneration of key management personnel**

The figures below represent the total remuneration of key management personnel paid by CSC. The Scheme does not employ any staff, the Trustee provides management services to the Scheme. The key management personnel of the Trustee are the key management personnel of the Trusts and for the superannuation schemes for which CSC is Trustee.

**Directors of the Trustee**

<b>Total</b>	<b>1,939,561</b>	<b>1,815,505</b>	<b>94%</b>	<b>6%</b>	<b>1,168,924</b>	<b>646,581</b>	<b>573,481</b>

<sup>1</sup> The total variable remuneration opportunity for each member of key management personnel is based on the performance criteria outlined later in this report. These criteria may also include stretch targets in the Corporate and Individual performance components. As such the maximum potential variable remuneration opportunity does not reflect a threshold level of performance, and it is likely that for any given reporting period there will be a percentage of the total opportunity not awarded (forfeited).

<sup>2</sup> The deferred component is discounted to present value using the Reserve Bank of Australia bond rate for the period of deferral.

<sup>3</sup> Variable remuneration reported for Mr. Paul Abraham has been apportioned to represent amounts relating to his service as a member of key management personnel (until 27 April 2025).

The cash variable remuneration disclosed above was granted on 21 August 2025 with regard to performance for the financial year ended 30 June 2025 and the amounts granted were paid in full (100%) on 25 September 2025.

**Commonwealth Superannuation Scheme**  
**DIRECTORS' REPORT**  
**For the financial year ended 30 June 2025**

**Variable remuneration - 2024-25 financial year (continued)**

Nature of the variable remuneration granted

Individual employment contracts indicate the maximum percentage of the total fixed remuneration package (TRP) that the Board may determine to pay as a short-term cash variable remuneration each year, however variable remuneration payments are made entirely at the discretion of the Board of Directors.

Performance criteria

The performance criteria that the Board of Directors had regard to when determining the variable remuneration payments made during the financial year are disclosed in the table below.

<b>Component</b>	<b>Measurement basis</b>	<b>Weighting</b>
Investment performance	(a) 50% upon achievement of a 3.5% real investment return (i.e. after adjusting for inflation) for the default investment option (MySuper Balanced) over a rolling 3 year period; (b) If (a) is not achieved, 25% if the investment return of the default investment option (MySuper Balanced) exceeds the reference (passive) portfolio over a rolling 3 year period; (c) If both (a) and (b) are not achieved, then 0%.	50%
Corporate performance	Directors' assessment of the achievement of the strategic and operational targets agreed by and reported to the Board of Directors.	20%
Individual performance	Achievement of key individual performance objectives agreed at the start of each financial year.	20%
Adherence to CSC values	Qualitative assessment of adherence to CSC values (Customer Driven, United, Accountable, Future Focused)	10%
Total		100%

To qualify to participate in the short-term variable remuneration scheme mentioned above, key management personnel are required to receive an 'adherence to CSC values' rating of "consistently" or above, receive an individual performance rating of 'fully effective' or above, and achieve a pre-determined risk objective. The Board has the discretion to 'clawback' variable remuneration paid to an employee in previous years in situations where new information is received that indicates misconduct, significant adverse member outcomes, significant failures or significant errors have occurred in a particular performance period.

**Commonwealth Superannuation Scheme**  
**DIRECTORS' REPORT**  
**For the financial year ended 30 June 2025**

**Deferred variable remuneration**

The CSC deferred variable remuneration policy (Deferral Policy) came into effect from 1 July 2023. Variable remuneration that has met the threshold for a portion to be deferred under APRA Prudential Standard *CPS 511 – Remuneration* (CPS 511), is expected to be paid in instalments between four to six years into the future. The Board has discretion where appropriate to revise deferred amounts payable under the Deferral Policy. Part or all of any deferred remuneration may be forfeited in the event of misconduct, significant failures and/or significant adverse outcomes. The Deferral Policy sets out the circumstances in which, on cessation of employment the Board may decide to either pay all or part of the deferred variable remuneration up front, or for it to lapse either in part or in its entirety. No prior year deferred remuneration was forfeited during the 2024-25 financial year.

The table below summarises all outstanding deferred variable remuneration amounts as at 30 June 2025. The amounts represent the maximum possible value to be paid when the benefit vests in the future. The minimum possible values are \$nil.

Deferred variable remuneration							
Name	Performance period ending	Grant date	Deferred Amount	Expected payment timing			
				September 2027	September 2028	September 2029	September 2030
				\$	\$	\$	\$
Damian Hill	30 June 2024	22/08/2024	104,490	34,830	34,830	34,830	-
	30 June 2025	21/08/2025	136,629	-	45,543	45,543	45,543
Andrew Matuszczak	30 June 2025	21/08/2025	55,103	-	27,551	27,552	-
Alison Tarditi	30 June 2024	22/08/2024	264,384	132,192	132,192	-	-
	30 June 2025	21/08/2025	393,418	-	196,709	196,709	-
Andy Young	30 June 2025	21/08/2025	61,431	-	30,715	30,716	-
<b>Total</b>			<b>1,015,455</b>	<b>167,022</b>	<b>467,540</b>	<b>335,350</b>	<b>45,543</b>

**Transitional payments**

The Chief Executive Officer, Chief Investment Officer and Chief Operating Officer may be eligible for 'transitional payments' to partially compensate for the requirement under CPS 511 to defer the vesting of a portion of their variable remuneration in relation to any performance periods commencing post 1 July 2023. Future transitional payments are estimated to be as follows:

Performance period ending	Transitional payments	
	30 June 2026	30 June 2027
	Expected payment timing	September 2027
	\$	\$
Damian Hill	108,000	54,000
Alison Tarditi	174,480	-
Andy Young	29,700	-

The Board has the discretion to revise any transitional payment upwards or downwards, or to not grant a transitional payment at all. The executive must also remain employed with CSC for the full duration of the relevant performance period to receive a transitional payment. Details of transitional payments made under this arrangement will be disclosed in the Remuneration Report for the relevant performance year.

**Commonwealth Superannuation Scheme**  
**DIRECTORS' REPORT**  
**For the financial year ended 30 June 2025**  
**Key terms of employment contracts**

Details of employment contracts negotiated between the Trustee and members of key management personnel during the financial year ended 30 June 2025 are outlined below.

Directors of the Trustee

- A contract for Ms Janet Torney was finalised in March 2025 upon appointment to the position of Director and Chair of Commonwealth Superannuation Corporation on 31 March 2025.
- A contract for Ms Arundhati Tandel was finalised in June 2025 ahead of her appointment to the position of Director of Commonwealth Superannuation Corporation on 1 July 2025.

The remuneration packages for CSC Directors are determined by the independent Remuneration Tribunal, a legislative requirement for all CSC directors under the *Governance of Australian Government Superannuation Schemes Act 2011* (GAGSS Act). The remuneration packages consist of fixed remuneration (including superannuation entitlements) and are commensurate with the responsibilities of the position, including membership on Board Committees.

Other key management personnel

In April 2025, the Executive team was restructured. As a result of this change, some key management personnel employment contracts were renegotiated as follows:

- Mr Andy Young (Chief Operating Officer) had his remuneration adjusted in April 2025 as a result of changes to the scope of his role. Remuneration was reviewed in line with CSC's Board-approved Remuneration Policy and Remuneration Framework. A change in base salary (fixed remuneration) was implemented following benchmarking against the Financial Institutions Remuneration Group's (FIRG) market surveys. There were no other changes to the remuneration package as a result of this change.
- The employment contract for Mr Robert Firth (Chief Risk Officer) was extended in April 2025, with a new end date for his fixed term contract of 4 July 2025. A termination payment was agreed in June 2025 before cessation of employment, comprising of contractual and legislative redundancy entitlements as well as an ex-gratia payment. There were no other changes to the remuneration package.
- A termination payment was agreed in May 2025 for Mrs Alana Scheiffers (General Counsel) before cessation of employment, comprising of payment in lieu of notice, contractual and legislative redundancy entitlements as well as an ex-gratia payment. There were no other changes to the remuneration package.

**Directors' resolution**

This Directors report is signed in accordance with a resolution of the Directors of the Trustee made pursuant to s.298(2) of the *Corporations Act 2001*.

On behalf of the Directors of the Trustee

Janet Torney

Chair

25 September 2025

Commonwealth Superannuation Scheme  
7 London Circuit  
Canberra ACT 2601

**COMMONWEALTH SUPERANNUATION SCHEME FINANCIAL REPORT 2024–25**  
**AUDITOR'S INDEPENDENCE DECLARATION**

In relation to my audit of the financial report of the Commonwealth Superannuation Scheme for the year ended 30 June 2025, to the best of my knowledge and belief, there have been:

- (i) no contraventions of the auditor independence requirements of the *Corporations Act 2001*; and
- (ii) no contravention of any applicable code of professional conduct.

Australian National Audit Office

**Commonwealth Superannuation Scheme (ABN 19 415 776 361)**  
**Statement by the Trustee of the Commonwealth Superannuation Scheme ('Scheme')**

**DIRECTOR'S DECLARATION**

The Directors of the Trustee hereby state that in their opinion:

- (a) the accompanying financial statements of the Commonwealth Superannuation Scheme are properly drawn up so as to present fairly the financial position of the Scheme as at 30 June 2025 and the financial performance, changes in equity, changes in member benefits and cash flows of the Scheme for the year ended on that date;
- (b) at the date of this statement there are reasonable grounds to believe that the Scheme will be able to pay its debts as and when they fall due;
- (c) the financial statements are in a form agreed by the Minister for Finance and the Trustee in accordance with subsection 30(1)(d) of the *Governance of Australian Government Superannuation Schemes Act 2011* and have been prepared in accordance with Australian Accounting Standards and other mandatory professional reporting requirements, the *Corporations Act 2001* and *Corporations Regulations 2001*;
- (d) the financial statements have been prepared based on properly maintained financial records; and
- (e) the operations of the CSS Fund were conducted in accordance with the *Governance of Australian Government Superannuation Schemes Act 2011*, the *Superannuation Act 1976* and the requirements of the *Superannuation Industry (Supervision) Act 1993* and regulations, and the relevant requirements of the *Corporations Act 2001* and regulations (to the extent applicable).

Signed this 25th day of September 2025 in accordance with a resolution of Directors of Commonwealth Superannuation Corporation (ABN 48 882 817 243) as Trustee of the Scheme.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**1. DESCRIPTION OF THE SCHEME AND THE FUND**

The Commonwealth Superannuation Scheme ('Scheme') is a hybrid accumulation-defined benefits scheme which provides benefits to its members under the *Superannuation Act 1976* (as subsequently amended). The Trustee of the Scheme is Commonwealth Superannuation Corporation (CSC) (ABN 48 882 817 243).

Monies paid to the Trustee for the purposes of the Scheme are held in the Commonwealth Superannuation Fund (CSS Fund). The CSS Fund comprises contributions made by members and employers, income arising from investments, and unrealised and realised changes in market value of investments held within the CSS Fund. The Trustee pays member benefits and taxes relating to the CSS Fund out of the CSS Fund. The Trustee pays the direct and incidental costs of management of the CSS Fund and the investment of its money from the assets of the ARIA Investments Trust ('the AIT') that are referable to the CSS Fund (Note 7(c)).

CSS has been closed to new entrants since 1 July 1990.

The principal place of business and registered office of the Trustee is 7 London Circuit, Canberra, ACT 2601.

**2. BASIS OF PREPARATION**

**(a) Statement of compliance**

The financial report of the Scheme is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards and Interpretations, including AASB 1056 '*Superannuation Entities*', the *Corporations Act 2001 and Corporations Regulations 2001*. For the purposes of preparing financial statements, the Scheme is a for profit for members entity.

The form of these financial statements has been agreed by the Minister for Finance and the Trustee in accordance with sub-section 30(1)(d) of the *Governance of Australian Government Superannuation Schemes Act 2011*.

The financial statements of the Scheme were authorised for issue by the Directors of the Trustee on 25 September 2025.

**New Accounting and Sustainability Reporting Standards**

At the date of authorisation of the financial report, the following Standards which are expected to be relevant to the Scheme were in issue but not yet effective.

<b>Standard</b>	<b>Effective for annual reporting periods beginning after</b>	<b>Expected to be initially applied in the financial year ending</b>
<b>AASB 18 - Presentation and Disclosure in Financial Statements</b>		
This Accounting Standard will not change the recognition and measurement of items in the financial statements but may affect presentation and disclosure, including introducing new categories and subtotals in the Income Statement, requiring the disclosure of management defined performance measures, and changing the grouping of information in the financial statements.	1 January 2028	30 June 2029
The Scheme is currently assessing the likely impacts on the financial statements of this Standard.		

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**2. BASIS OF PREPARATION (CONTINUED)**

**(a) Statement of compliance (continued)**

<b>Standard</b>	<b>Effective for annual reporting periods beginning after</b>	<b>Expected to be initially applied in the financial year ending</b>
<b>AASB S2 – Climate-related Disclosures</b>		
<p>This Sustainability Reporting Standard sets out the requirements for identifying, measuring and disclosing information about climate-related risks and opportunities that is useful to primary users of general purpose financial reports in making decisions relating to providing resources to the entity. It applies to climate-related risks to which the entity is exposed, which are climate-related physical risks and climate related transition risks as well as climate-related opportunities available to the entity.</p>	1 January 2026	30 June 2027
<p>The effective date of this Standard for Registrable Superannuation Entities (RSE's) is dependant on the size of the RSE measured in reference to thresholds for consolidated revenue, consolidated assets and employees. This Standard will be effective for the Scheme for annual reporting periods beginning after 1 January 2026, and expected to be initially applied in the financial year ending 30 June 2027. The Scheme is currently assessing the likely impacts of this Standard.</p>		

No Accounting or Sustainability Reporting Standards have been adopted earlier than the application date as stated in the Standard.

**(b) Functional and presentation currency**

The financial statements are presented in Australian dollars, which is the functional currency of the Scheme.

The Scheme is an entity of the kind referred to in *ASIC Corporations (Rounding in Financials/Directors' Reports) Instrument 2016/191*, and in accordance with that Corporations Instrument amounts in the Directors' report and the financial statements are rounded off to the nearest thousand dollars, unless otherwise indicated.

**(c) Use of judgements and estimates**

In the application of Accounting Standards, management is required to make judgements, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgements. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements made by management in the application of Accounting Standards that have material effects on the financial statements and estimates with a risk of material adjustments in the next year are disclosed, where applicable, in the relevant notes to the financial statements.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**2. BASIS OF PREPARATION (CONTINUED)**

**(d) Going concern**

The financial report has been prepared on a going concern basis, which contemplates the continuation of normal business operations and the realisation of assets and settlement of liabilities in the normal course of business. In making this assessment, the Directors of the Trustee have considered future events and conditions including for the period of twelve months following the approval of these financial statements. The Trustee remains confident that the Scheme will be able to continue as a going concern as the Scheme's assets significantly outweigh its liabilities and it has sufficient liquidity to meet its debts as and when they fall due.

**3. SUMMARY OF MATERIAL ACCOUNTING POLICIES**

The accounting policies set out below have been applied in preparing the financial statements for the year ended 30 June 2025 and the comparative information presented in these financial statements for the year ended 30 June 2024.

**(a) Cash and cash equivalents**

Cash and cash equivalents include cash at bank used to transact member and employer contributions, transfers to and from other funds, benefit payments and tax liabilities.

**(b) Financial assets**

Financial assets (being investments in a pooled superannuation trust (PST), cash at bank and other receivables) are recognised on the date the Scheme becomes a party to the contractual provisions of the asset. Financial assets are recognised using trade date accounting. After initial measurement, any gains and losses from changes in fair value are recognised in the Income Statement.

Fair value is the price that would be received to sell an asset in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique.

Fair values have been determined as follows:

- (i) Units in a PST are valued at the redemption price at close of business on the last business day of the reporting period as notified by the manager of the trust, reflecting the fair value of the underlying investments.
- (ii) Other receivables are recognised at nominal amounts due which approximate fair value. All amounts are unsecured and are subject to normal credit terms.

**(c) Employer sponsor receivable**

The Commonwealth Government is obliged under the *Superannuation Act 1976* (as amended) to meet any funding shortfall for the defined benefit member liabilities of the Scheme. The asset is measured at its 'intrinsic value' (i.e. the amount of the difference between the defined benefit member liability and the fair value of assets available to meet that liability). The value of the employer sponsor receivable will not necessarily be the same as the value of the corresponding liability in the accounts of the employer sponsor and the Australian Government Long Term Cost Report due to the application of different accounting standards which may result in different valuation assumptions from those set out in Note 9.

**(d) Foreign currency transactions**

The Scheme does not undertake transactions denominated in foreign currencies.

**(e) Payables**

Payables (being benefits payable and other payables) are recognised at their nominal value which is equivalent to fair value.

**Benefits payable**

Benefits payable to a member are recognised where a valid withdrawal notice has been received from the employer sponsor, and approved, but payment has not been made by reporting date.

**Other payables**

Other payables represent liabilities for services provided during the financial period and which are unpaid at reporting date. All amounts are unsecured. Creditors are subject to normal credit terms.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**3.SUMMARY OF MATERIAL ACCOUNTING POLICIES (CONTINUED)**

**(f) Defined benefit member liabilities**

Defined benefit member liabilities are measured as the amount of a portfolio of investments that would be needed as at the reporting date to yield future net cash inflows that would be sufficient to meet accrued benefits as at that date when they are expected to fall due (Note 9).

The impact of the Scheme's default death and invalidity insurance arrangements have been considered in determining member liabilities. Balances and transactions in respect of these arrangements are presented in aggregate as part of member liabilities and the benefits paid/payable balances presented in the Statement of Financial Position and Statement of Changes in Member Benefits.

**(g) Contribution revenue and transfers from other funds**

Employer and member contributions, superannuation co-contributions, low income superannuation tax offsets from the Commonwealth Government and transfers from other funds are recognised when control of the contribution or transfer has passed to the Scheme.

**(h) Operational risk reserve**

The purpose of the operational risk reserve (ORR) is to provide adequate financial resources to address potential losses arising from an operational risk event. The ORR is operated in accordance with an ORR policy. The level of the reserve is determined by the Trustee Directors and reviewed annually, based on an assessment of the risks faced by the Fund. The transferred assets underlying the ORR are held in a separate balanced option of the AIT and income earned on these assets is recognised in the reserve.

**(i) Derivatives**

The Scheme does not directly enter into derivative financial instruments.

**(j) Revenue**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the entity and the revenue can be reliably measured. Specific revenues are recognised as follows:

**Investment revenue**

Interest revenue is recognised on an accrual basis.

Changes in the fair value of investments are recognised as income and are determined as the difference between the fair value at year end or consideration received (if sold during the year) and the fair value as at the prior year end or cost (if the investment was acquired during the period).

**(k) Expenses**

Expenses are recognised on an accruals basis and, if not paid at reporting date, are reflected in the Statement of Financial Position as an accrual or payable depending upon whether or not the expense has been billed.

**(l) Income tax**

Income tax is recognised in the Income Statement and the Statement of Changes in Member Benefits. As the Scheme invests in the AIT, which is a PST, tax on this investment revenue is paid by the AIT.

**Current tax**

Current tax is calculated by reference to the amount of income taxes payable or recoverable in respect of the taxable profit or loss for the period. It is calculated using tax rates and tax laws that have been enacted or substantively enacted by reporting date. Current tax for the current and prior periods is recognised as a liability (or asset) to the extent that it is unpaid (or refundable).

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**3. SUMMARY OF MATERIAL ACCOUNTING POLICIES (CONTINUED)**

**(l) Income tax (Continued)**

**Deferred tax**

Deferred tax is accounted for using the comprehensive balance sheet liability method in respect of temporary differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax base of those items.

In principle, deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that sufficient taxable amounts will be available against which deductible temporary differences or unused tax losses and tax offsets can be utilised. However, deferred tax assets and liabilities are not recognised if the temporary differences giving rise to them arise from the initial recognition of assets and liabilities (other than as a result of a business combination) which affects neither taxable income nor accounting profit.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period(s) when the asset and liability giving rise to them are realised or settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by reporting date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Scheme expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the Scheme intends to settle its current tax assets and liabilities on a net basis.

**Current and deferred tax for the period**

Current and deferred tax for the period is recognised as an expense or benefit in the Income Statement, except for tax on contributions, which is recognised in the Statement of Changes in Member Benefits.

**(m) Goods and services tax ('GST')**

Revenues, expenses and assets are recognised net of the amount of goods and services tax ('GST') recoverable from the Australian Taxation Office (ATO) as a reduced input tax credit. Where the amount of GST incurred is not recoverable from the ATO, it is recognised as part of the cost of acquisition of an asset or as an expense item.

Receivables and payables are recognised inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as an asset or liability in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified within operating cash flows.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**4. OTHER RECEIVABLES**

	<b>2025</b>	<b>2024</b>
	<b>\$'000</b>	<b>\$'000</b>
Interest receivable	<b>93</b>	87
Amount to be appropriated from Consolidated Revenue Fund	-	39
	<b>93</b>	126

There are no receivables that are past due or impaired. (2024: Nil)

**5. INVESTMENTS**

	<b>2025</b>	<b>2024</b>
	<b>\$'000</b>	<b>\$'000</b>
Pooled superannuation trust - ARIA Investments Trust	<b>865,647</b>	1,021,078
	<b>865,647</b>	1,021,078

**6. CHANGES IN FAIR VALUE OF INVESTMENTS**

	<b>2025</b>	<b>2024</b>
	<b>\$'000</b>	<b>\$'000</b>
<b>(a) Investments held at 30 June:</b>		
Pooled superannuation trust - ARIA Investments Trust	<b>79,813</b>	82,821
<b>(b) Investments realised during the year:</b>		
Pooled superannuation trust - ARIA Investments Trust	<b>10,514</b>	7,145
<b>(c) Total changes in fair value of investments</b>	<b>90,327</b>	89,966

**7. FUNDING ARRANGEMENTS**

**(a) Contributions**

**Member Contributions**

Members contribute to the Scheme at optional rates from 5% of salary, or they may opt to make nil contributions. The contribution rates were the same in the prior year.

**Employer Contributions**

Employers who do not operate their own productivity schemes contribute employer (productivity) contributions to the Scheme on a sliding scale averaging 3% of salaries paid to members. The contribution rates were the same in the prior year.

**Transferring Superannuation from Other Funds**

Money invested in other superannuation funds can be transferred to the Scheme.

**Government Co-Contributions**

For the financial years ended 30 June 2024 and 30 June 2025, the Commonwealth Government contributed \$0.50 for every \$1.00 of eligible personal after-tax member contributions paid to the Scheme up to a maximum of \$500 per member.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**7. FUNDING ARRANGEMENTS (CONTINUED)**

**(a) Contributions (Continued)**

**Low Income Superannuation Tax Offset**

The low income superannuation tax offset (LISTO) is a Commonwealth Government superannuation payment of up to \$500. LISTO payments are recognised as revenue when received.

**(b) Benefits**

Where a benefit that becomes payable in respect of a member can be fully met from Scheme assets attributable to that member, the benefit is paid to the beneficiary from the CSS Fund. Where a benefit becomes payable that cannot be fully met from Scheme assets attributable to the member, all moneys held in the CSS Fund in respect of the member are paid to the Consolidated Revenue Fund, and the Commonwealth Government then assumes responsibility for funding the whole benefit.

Of the total benefits payable at 30 June 2025, \$nil (2024: \$39k) is payable by the Consolidated Revenue Fund. The Commonwealth Government is the corresponding debtor for this amount in accordance with the funding arrangements described above.

Benefits paid and payable by the CSS Fund and the Consolidated Revenue Fund during the year are as follows:

	<b>2025</b>	<b>2024</b>
	<b>\$'000</b>	<b>\$'000</b>
Gross Appropriation from Consolidated Revenue Fund	<b>5,052,227</b>	4,966,137
less: Transfers from Fund to Consolidated Revenue Fund	<b>(250,017)</b>	(261,797)
<b>Net appropriation from Consolidated Revenue Fund</b>	<b>4,802,210</b>	4,704,340
<b>Consolidated Revenue Fund</b>		
Lump-sum benefits	<b>113,803</b>	106,566
Pensions	<b>4,938,424</b>	4,859,571
	<b>5,052,227</b>	4,966,137
<b>CSS Fund</b>		
Lump-sum benefits	<b>1,570</b>	4,099
<b>Total benefits paid and payable</b>	<b>5,053,797</b>	4,970,236

**(c) Cost of managing, investing and administering the scheme**

The Scheme does not directly incur expenses. Costs of and incidental to the management of the Scheme and the investment of its money are charged against the assets of the AIT that are referable to the Scheme. Transactions in respect of these costs have been brought to account in the financial statements of the AIT.

Expenses met by the AIT and referable to the Fund are as follows:

	<b>2025</b>	<b>2024</b>
	<b>\$'000</b>	<b>\$'000</b>
<b>Investment</b>		
Investment manager fees	<b>1,618</b>	1,656
Custodian fees	<b>87</b>	110
Investment consultant and other service provider fees	<b>120</b>	164
Other investment expenses	<b>47</b>	83
<b>Total direct investment expenses</b>	<b>1,872</b>	2,013
Regulatory fees	<b>132</b>	158
Other operating expenses	<b>1,363</b>	1,387
<b>Total costs</b>	<b>3,367</b>	3,558

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**7. FUNDING ARRANGEMENTS (CONTINUED)**

**(c) Cost of managing, investing and administering the scheme (Continued)**

Costs other than those incurred in managing and investing Scheme assets are met by CSC. Administrative fees are paid to CSC by employing agencies to meet these costs. Sponsoring employers have contributed further administration funding of \$12.91 million (2024: \$13.02 million). Transactions in respect of the receipt of these fees and the costs of administration have been brought to account in the financial statements of the Trustee.

**8. INCOME TAX**

**(a) Income tax recognised in the Income Statement**

	<b>2025</b>	<b>2024</b>
<b>Income tax expense comprises:</b>		
Current tax expense	175	172
Deferred tax expense relating to the origination and reversal of temporary differences	1	-
<b>Total income tax expense</b>	<b>176</b>	<b>172</b>

The prima facie income tax expense on the operating result before income tax reconciles to the income tax expense in the Income Statement as follows:

<b>Operating result before income tax expense</b>	<b>528</b>	<b>510</b>
Income tax expense calculated at 15%	79	77
Net change in member benefits from investing activities	13,646	13,590
Changes in fair value of investment already taxed	(13,549)	(13,495)
<b>Total income tax expense</b>	<b>176</b>	<b>172</b>

**(b) Income tax on contributions recognised in Statement of Changes in Member Benefits**

	<b>2025</b>	<b>2024</b>
	<b>\$'000</b>	<b>\$'000</b>
<b>Contributions received:</b>		
Member contributions	8,365	11,609
Employer contributions	2,582	3,366
Government co-contributions	3	7
Low income superannuation tax offset	1	4
<b>Total contributions received</b>	<b>10,951</b>	<b>14,986</b>
<b>Contributions tax calculated at 15%</b>	<b>1,643</b>	<b>2,248</b>
Member contributions not subject to tax	(1,256)	(1,741)
Government co-contributions not subject to tax	-	(1)
Low income superannuation tax offset not subject to tax	-	(1)
<b>Total income tax on contributions</b>	<b>387</b>	<b>505</b>

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**8. INCOME TAX (CONTINUED)**

**(c) Recognised deferred tax liabilities**

	2025 \$'000	2024 \$'000
<b>Deferred tax liabilities comprise:</b>		
Temporary differences	<u>14</u>	<u>13</u>
	<u>14</u>	<u>13</u>

Taxable and deductible temporary differences arise from the following:

2025	Opening balance \$'000	Charged to income \$'000	Closing balance \$'000
<b>Gross deferred tax liabilities:</b>			
Interest receivable	<u>13</u>	<u>1</u>	<u>14</u>
	<u>13</u>	<u>1</u>	<u>14</u>
2024	Opening balance \$'000	Charged to income \$'000	Closing balance \$'000
<b>Gross deferred tax liabilities:</b>			
Interest receivable	<u>13</u>	<u>-</u>	<u>13</u>
	<u>13</u>	<u>-</u>	<u>13</u>

**9. MEMBER LIABILITIES**

The Scheme engages qualified actuaries on an annual basis to measure defined benefit liabilities. The value of the member liabilities will not necessarily be the same as the value presented in the accounts of the employer sponsor and the Australian Government Long Term Cost Report due to the application of different accounting standards which may result in different valuation assumptions. The liabilities change from year to year as a result of contributions, benefit payments, interest costs and investment returns relative to the actuarial assumptions adopted. The actuarial assumptions are long term assumptions commensurate with the maturity of the member liabilities and are reviewed in consultation with the actuaries on an annual basis.

The Scheme uses sensitivity analysis to monitor the potential impact of key changes to key variables about which the assumptions need to be made. The Scheme has identified four assumptions (being the mortality rates, the discount rate/investment returns, the rate of salary adjustment and the inflation rate) for which changes are reasonably possible that would have a material impact on the amount of the defined benefit member liabilities:

- The current mortality assumptions adopted are scheme specific based on the experience observed. There has been no change to these assumptions from the prior year.
- The assumed discount rate has been determined by reference to the target investment returns expected on the investment portfolio, which reflect the opportunities reasonably available to the Scheme in the investment markets. There has been no change to this assumption from the prior year.
- The assumed annual salary adjustment has been determined by historical observations over a long term period and in consultation with the employer sponsor. There has been no change to this assumption from the prior year.
- The assumed inflation rate has been determined based on the mid-point of the Reserve Bank of Australia (RBA) inflation target. There has been no change to this assumption from the prior year.

Other variables about which assumptions have been made in measuring defined benefit member liabilities and for which changes are not considered reasonably possible, or for which reasonably possible changes would not be expected to have a material effect, include resignation rates.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**9. MEMBER LIABILITIES (CONTINUED)**

The following are sensitivity calculations on a univariate basis for the mortality rates, the discount rate/investment returns, the rate of salary adjustment and the inflation rate assumptions for the Scheme.

Key assumptions	Assumed at reporting date	Reasonably Possible Change	(Increase)/Decrease in member liabilities (\$'000)
<b>30 June 2025</b>			
Discount rate / investment returns	6%	+ 1%	4,954,006
		- 1%	(5,785,739)
Salary adjustment rate	3.5%	+ 1%	(15,014)
		- 1%	14,313
Inflation rate	2.5%	+ 1%	(5,098,368)
		- 1%	4,439,034
Mortality rates	A scale developed by the Scheme actuary with allowance for mortality improvements	5.0% higher mortality* - 5.0% lower mortality*	794,520 (837,538)
<b>30 June 2024</b>			
Discount rate / investment returns	6%	+ 1%	5,145,782
		- 1%	(6,027,647)
Salary adjustment rate	3.5%	+ 1%	(21,076)
		- 1%	19,982
Inflation rate	2.5%	+ 1%	(5,326,984)
		- 1%	4,624,350
Mortality rates	A scale developed by the Scheme actuary with allowance for mortality improvements	5.0% higher mortality* - 5.0% lower mortality*	786,390 (828,640)

\* For example, if the base probability of death of 3.0%, the higher rate is 3.15% and the lower rate is 2.85%.

Vested benefits are benefits which are not conditional upon continued membership of the Scheme (or any other factor other than resignation from the Scheme) and include benefits which members were entitled to receive had they terminated their Scheme membership as at the reporting date.

An actuarial estimate of vested benefits at 30 June 2025 is \$61.5 billion (2024: \$62.7 billion). The value of vested benefits represents the liability that would have fallen on the Scheme if all members had ceased service on 30 June 2025 and elected the option which maximised their benefit entitlement.

The vested benefits have been calculated on the basis of current legislative arrangements as at the reporting date.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**10. CASH FLOW INFORMATION**

**(a) Reconciliation of Cash**

For the purposes of the Statement of Cash Flows, cash represents cash at bank. Cash at the end of the reporting period as shown in the Statement of Cash Flows is reconciled to the related items in the Statement of Financial Position as follows:

	<b>2025</b>	<b>2024</b>
	<b>\$'000</b>	<b>\$'000</b>
Cash at bank	<u><b>27,980</b></u>	<u>23,761</u>

**(b) Reconciliation of operating result after income tax expense to net cash inflows from operating activities**

Operating result after income tax expense	<b>352</b>	338
Net change in member benefits from investing activities	<b>90,970</b>	90,602
Changes in fair value of investments	<b>(90,327)</b>	(89,966)
(Increase)/decrease in interest receivable	<b>(6)</b>	2
(Decrease)/increase in income tax payable	<b>(13)</b>	62
Increase in deferred tax liabilities	<u><b>1</b></u>	<u>-</u>
<b>Net cash inflows from operating activities</b>	<u><b>977</b></u>	<u>1,038</u>

**11. AUDITOR'S REMUNERATION**

Amounts paid or payable to the Australian National Audit Office for audit services:

	<b>2025</b>	<b>2024</b>
	<b>\$</b>	<b>\$</b>
Financial statements	<b>70,624</b>	70,459
Regulatory returns and compliance	<u><b>18,070</b></u>	<u>18,070</u>
<b>Total</b>	<u><b>88,694</b></u>	<u>88,529</u>

The audits were provided by the Australian National Audit Office. The audit fees will be charged against the assets of the ARIA Investments Trust that are referable to the Scheme.

Deloitte Touche Tohmatsu have been contracted by the Australian National Audit Office to provide audit services on its behalf. Fees for those services are included in the above.

No other services were provided by the Australian National Audit Office or Deloitte Touche Tohmatsu to the Scheme during the reporting period.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**12. FINANCIAL INSTRUMENTS**

**(a) Financial instruments management**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

The investments of the Scheme (other than cash held for managing contribution receipts, benefit payments and tax payments) comprise units in the AIT. The AIT is a PST which is also governed by the Commonwealth Superannuation Corporation as Trustee. This type of investment has been determined by the Trustee to be appropriate for the Scheme and is in accordance with the Scheme's published investment strategy. The Trustee applies strategies to manage the risk relating to the investment activities of the AIT. The investments of the AIT are managed on behalf of the Trustee by specialist external investment managers who are required to invest the assets in accordance with contractual investment mandates.

**(b) Material accounting policies**

Details of the material accounting policies and methods adopted, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised in respect of each class of financial asset and financial liability are disclosed in Note 3 to the financial statements.

**(c) Capital risk management**

The Registrable Superannuation Entity ('RSE') licence of the Trustee of the Scheme requires the Trustee to maintain adequate financial resources to address losses arising from operational risks that may affect registrable superannuation entities within its business operations in the form of operational risk reserve(s), operational risk trustee capital or a combination thereof to meet the target amount of financial resources that the RSE licensee determines is necessary to respond to these losses. The Trustee of the Scheme was in compliance with this requirement throughout the reporting period.

**(d) Categories of financial instruments**

The financial assets and liabilities of the Scheme are recognised at fair value as at the reporting date. Changes in fair value are recognised in the Income Statement and the Statement of Changes in Member Benefits.

**(e) Financial risk management objectives**

The Scheme is exposed to a variety of financial risks as a result of its pooled investment in the AIT. These risks include market risk (including currency risk, fair value interest rate risk and price risk), credit risk, liquidity risk and cash flow interest rate risk. The Scheme's risk management and investment policies, approved by the Trustee, seek to minimise the potential adverse effects of these risks on the Scheme's financial performance. These policies may include the use of financial derivative instruments.

The Trustee is responsible for ensuring that there is an effective risk management control framework in place for the Scheme. Consistent with regulatory requirements, the Trustee has developed, implemented and maintains a Risk Management Framework to identify the policies, procedures, processes and controls that comprise its risk management and control systems for the Scheme and for the Scheme's investments through the AIT. The overall investment strategy of the Scheme is set out in the Trustee's approved investment policies which address the investment strategy and objectives and risk mitigation strategies including risk mitigation relating to the use of derivatives.

The Trustee's internal investment team monitors and manages the financial risks relating to the Scheme's investments. Derivative Risk Statements set out the strict parameters for the Trustee's external investment managers authorised to use derivatives. In essence, derivatives cannot be used to raise the level of risk above the level it would otherwise have been, and derivatives cannot be used to leverage the investments.

The Scheme's investments are managed on behalf of the Trustee by specialist external investment managers who invest their respective fund allocation in accordance with the terms of a written investment mandate or disclosure document. The Trustee has determined that the appointment of these managers is appropriate for the Scheme and is in accordance with its investment strategy.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**12. FINANCIAL INSTRUMENTS (CONTINUED)**

**(f) Credit risk**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Scheme. In its capacity as trustee of the AIT, the Trustee has adopted a policy of spreading the aggregate value of transactions across approved creditworthy counterparties as a means of mitigating the risk of financial loss. The Scheme's exposure to its counterparties are continuously monitored by the Trustee.

The largest exposure to a single counterparty is to cash held by the investment master custodian Northern Trust. Credit risk relating to the master custodian is mitigated through contract indemnity provisions. Other than the master custodian, no individual exposure within the AIT exceeded 5% of net assets of that trust at 30 June 2025 or 30 June 2024.

The credit risk on the Scheme's directly held cash and cash equivalents and interest receivable is limited because the counterparty is the Reserve Bank of Australia.

The table below shows the maximum exposure of financial assets to credit risk at the reporting date:

	<b>2025</b>	<b>2024</b>
	<b>\$'000</b>	<b>\$'000</b>
<b>Investments</b>		
Pooled Superannuation Trust - ARIA Investments Trust	<b>865,647</b>	1,021,078
<b>Other financial assets</b>		
Cash and cash equivalents	<b>27,980</b>	23,761
Other receivables	<b>93</b>	126
<b>Total financial assets</b>	<b>893,720</b>	1,044,965

There has been no change to the Scheme's exposure to credit risk or the manner in which it manages and measures that risk during the reporting period.

**(g) Liquidity risk**

Liquidity risk is the risk that the Scheme will encounter difficulty in either realising assets or otherwise raising sufficient funds to meet its financial liabilities and/or member benefit payments or tax liabilities.

The Trustee's approach to managing liquidity is to ensure that the Scheme will always have sufficient liquidity to meet its liabilities and member benefit payments. The Scheme allows members to withdraw benefits, and it is therefore exposed to the liquidity risk of meeting member withdrawals at any time. The Trustee undertakes forecasting and scenario testing of the cashflow requirements of the Scheme to ensure timely access to sufficient cash and holds actively-traded, highly-liquid investments to meet anticipated funding requirements.

As a further risk mitigation strategy, it is the Trustee's policy that the target asset allocation to illiquid assets is limited to around 25% of the investments of the AIT (with a plus or minus 10 percentage point rebalancing range around that target). Regular scenario testing is performed to confirm the validity of the strategy.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**12. FINANCIAL INSTRUMENTS (CONTINUED)**

**(g) Liquidity risk (continued)**

The following tables summarise the maturity profile of the Scheme's financial liabilities. The tables have been drawn up based on the discounted cash flows of financial liabilities based on the earliest date on which the Scheme expects to pay. The tables include both interest and principal cash flows.

Financial Liabilities maturity profile:

	<b>Less than 3 months \$'000</b>	<b>3 months to 1 year \$'000</b>	<b>1-5 years \$'000</b>	<b>Over 5 years \$'000</b>	<b>Total \$'000</b>
<b>30 June 2025</b>					
Benefits payable	1,359	-	-	-	1,359
Other payables	210	-	-	-	210
Defined benefits member liabilities	1,251,296	3,753,888	17,038,707	39,352,851	61,396,742
<b>Total financial liabilities</b>	<b>1,252,865</b>	<b>3,753,888</b>	<b>17,038,707</b>	<b>39,352,851</b>	<b>61,398,311</b>
<b>30 June 2024</b>					
Benefits payable	2,658	-	-	-	2,658
Other payables	260	-	-	-	260
Defined benefits member liabilities	1,242,804	3,728,412	17,029,478	40,578,537	62,579,231
<b>Total financial liabilities</b>	<b>1,245,722</b>	<b>3,728,412</b>	<b>17,029,478</b>	<b>40,578,537</b>	<b>62,582,149</b>

There has been no change to the Scheme's exposure to liquidity risk or the manner in which it manages and measures that risk during the reporting period.

**(h) Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: foreign currency risk, interest rate risk and other market price risk. The policies and procedures put in place to mitigate the exposure to market risk are detailed in the Trustee's investment policies and the Risk Management Framework.

There has been no change to the Scheme's exposure to market risk or the manner in which it manages and measures that risk during the reporting period.

**Foreign currency risk**

Foreign currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

The Scheme does not undertake any transactions in foreign currency and is therefore not directly exposed to foreign currency risk. However, the Scheme is indirectly exposed to foreign currency risk from the international assets held in the AIT, and it is managed in accordance with the Trustee's approved investment strategy. The AIT enters into forward foreign exchange contracts to hedge into Australian dollars some of the currency exposure arising from its investments denominated in developed markets foreign currencies. These contracts neutralise some of the gains and losses from currency fluctuation. A small part of the investments of the AIT, relating to emerging markets, remain unhedged due to lack of suitable currency instruments for hedging.

**Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Scheme is directly exposed to interest rate risk on cash and cash equivalents held with the Reserve Bank of Australia to meet benefits and taxation payments. All holdings at 30 June 2025 and 30 June 2024 had a maturity profile of less than one month.

The Scheme is indirectly exposed to interest rate risk through its investments in the AIT. The Trustee manages interest rate risk through its investment strategy including diversification of asset allocation and the use of a diversity of specialist investment sector managers.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**12. FINANCIAL INSTRUMENTS (CONTINUED)**

**(h) Market risk (continued)**

The following table illustrates the Scheme's sensitivity to a 0.50% (2024: 0.50%) increase or decrease in interest rates, based on cash balances directly held at reporting date. This represents an assessment of a reasonably possible change in interest rates. Had interest rates been lower or higher by 0.50% (2024: 0.50%) at reporting date, and all other variables were held constant, the financial result would have improved / (deteriorated) as demonstrated:

	Carrying amount \$'000	Interest rate risk \$'000			
		Operating Result Before Tax	Net Assets Available to Pay Benefits	Operating Result Before Tax	Net Assets Available to Pay Benefits
<b>2025</b>		<b>-0.50%</b>		<b>+0.50%</b>	
Cash and cash equivalents	<b>27,980</b>	<b>(140)</b>	<b>(140)</b>	<b>140</b>	<b>140</b>
<b>2024</b>		<b>-0.50%</b>		<b>+0.50%</b>	
Cash and cash equivalents	23,761	(119)	(119)	119	119

In the Trustee's opinion, the sensitivity analysis at reporting date approximates the direct interest rate exposures of the Scheme during the financial year.

**Other price risk**

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether caused by factors specific to an individual investment, its issuer or factors affecting all similar financial instruments traded in the market.

The Scheme's investment in the AIT is exposed to market price risk in respect of the latter's holdings of equity securities and unit trusts. As the investment in the AIT is carried at fair value through profit or loss, all changes in market conditions will directly affect the Scheme's net investment income.

In its capacity as trustee of the AIT, the Trustee manages the market price risk arising from these investments by diversifying the portfolio in accordance with its investment strategy.

Commonwealth Superannuation Scheme  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
For the Financial Year Ended 30 June 2025

**12. FINANCIAL INSTRUMENTS (CONTINUED)**

**(h) Market risk (continued)**

**Other price risk (continued)**

The following table illustrates the Scheme's sensitivity to a reasonably possible change in the value of its investment in the AIT, based on risk exposures at reporting date. The volatility factor of 4.60% (2024: 5.50%) represents the volatility in the default option unit price of the Schemes Investment in the AIT and is reflective of market conditions as at reporting date. Had the unit price been higher or lower by the volatility factor at reporting date, and all other variables were held constant, the financial result would have improved/(deteriorated) as follows:

Financial Assets	Change in price	Carrying amount \$'000	Price risk \$'000			
			Operating Result Before Tax	Net Assets Available to Pay Benefits	Operating Result Before Tax	Net Assets Available to Pay Benefits
			(Lower price)		Higher price	
<b>2025</b>						
Default option	-/+4.60%	824,751	(37,939)	(37,939)	37,939	37,939
Cash option	-/+0.16%	37,573	(60)	(60)	60	60
Operational risk reserve	-/+4.60%	3,323	(153)	(153)	153	153
<b>Total</b>		<b>865,647</b>	<b>(38,152)</b>	<b>(38,152)</b>	<b>38,152</b>	<b>38,152</b>

Financial Assets	Change in price	Carrying amount \$'000	Price risk \$'000			
			Operating Result Before Tax	Net Assets Available to Pay Benefits	Operating Result Before Tax	Net Assets Available to Pay Benefits
			(Lower price)		Higher price	
<b>2024</b>						
Default option	-/+5.50%	972,346	(53,479)	(53,479)	53,479	53,479
Cash option	-/+0.14%	44,753	(63)	(63)	63	63
Operational risk reserve	-/+5.50%	3,979	(219)	(219)	219	219
<b>Total</b>		<b>1,021,078</b>	<b>(53,761)</b>	<b>(53,761)</b>	<b>53,761</b>	<b>53,761</b>

In the Trustee's opinion, the sensitivity analysis at reporting date is representative of the other market price exposures during the financial year.

**(i) Fair value measurements**

The Scheme's financial instruments are included in the Statement of Financial Position at fair value. The fair value is determined per the accounting policies in Note 3.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**12. FINANCIAL INSTRUMENTS (CONTINUED)**

**(i) Fair value measurements (Continued)**

**Fair value measurements recognised in the Statement of Financial Position**

The following table provides an analysis of the Scheme's financial instruments whereby the assets and liabilities are each grouped into one of three categories based on the degree to which their method of valuation is observable.

**Level 1:** fair value measurements are those derived from quoted prices in active markets.

**Level 2:** fair value measurements are those derived from inputs (other than quoted prices included within Level 1) that are observable such as prices or derived from prices.

**Level 3:** fair value measurements are those derived from valuation techniques that include inputs that are not based on observable market data.

	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
	<b>\$'000</b>	<b>\$'000</b>	<b>\$'000</b>	<b>\$'000</b>
<b>2025</b>				
<b>Financial Assets</b>				
Pooled superannuation trust	-	<b>865,647</b>	-	<b>865,647</b>
<b>2024</b>				
<b>Financial Assets</b>				
Pooled superannuation trust	-	<b>1,021,078</b>	-	<b>1,021,078</b>

There were no transfers between Level 1 and 2 in the period.

Units in the PST are valued daily based on the latest listed and unlisted market prices and values of the underlying investments, less any tax and expenses.

**Reconciliation of Level 3 fair value measurements**

There were no Level 3 financial assets or liabilities (2024: Nil).

**Fair value measurements of the underlying PST's investments**

The funded components of the Schemes for which CSC is the Trustee are co-invested in a PST. The following table provides an analysis of the underlying PST's investments grouped into levels 1 to 3 of the fair value hierarchy based on the degree to which their fair value is observable. The table has been prepared on a look-through basis and therefore discloses investments held in the subsidiary trusts of the PST for which the Trustee or ARIA Co Pty Ltd are also Trustee, as if they are direct investments of the PST.

	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**12. FINANCIAL INSTRUMENTS (CONTINUED)**

**(i) Fair value measurements (Continued)**

**Fair value measurements of the underlying PST's investments (Continued)**

The fair values of the PST's investments are determined as follows:

*Public Market Investments*

Money market investments are valued at the market closing price on the last business day of the reporting period and include accrued interest.

- Fixed interest investments are valued at their market value at close of business on the last business day of the reporting period. Interest is accrued over the period and is recorded in the Statement of Financial Position.
- Futures contracts are valued at market closing prices quoted on the last business day of the reporting period.
- Forward currency contracts and swaps are valued using prices obtained from independent providers as at the last business day of the reporting period (or alternatively from counterparties or fund managers where a provider does not supply a price).
- Equity securities and listed trusts are valued at the last sale price at close of business on the last business day of the reporting period.
- Exchange traded options are valued as the premium payable or receivable to close out the contracts at the last buy price at close of business on the last business day of the reporting period.

Across Public Market investments, the Trustee relies on the Custodian's independent pricing process which includes obtaining at least two prices from separate vendors on a daily basis; tolerance checks; and applying prices based on a vendor "Provider Hierarchy" that is formulated and regularly reviewed by the Custodian's pricing specialist group.

*Private Market Investments*

- Private equity funds are valued according to the most recent valuation obtainable from the Investment Manager. Each Investment Manager determines the valuations with reference to the valuation of the underlying portfolio companies. Investment Managers comply with the relevant valuation guidelines and/or accounting standards applicable in their jurisdictions. Where valuation standards for relevant jurisdictions are not consistent with Australian Accounting Standards, CSC will implement procedures to ensure fair value prices are received for investments.
- Direct Property and Infrastructure valuations are appraisal-based from appropriately qualified independent valuers on a quarterly basis. For smaller direct investments below the materiality threshold, independent external valuations may be conducted less frequently than quarterly but at a minimum annually.
- Indirect Property and Infrastructure valuations are either appraisal-based from appropriately qualified independent valuers; or administered by each Investment Manager with reference to the valuation of the underlying holdings in accordance with the constituent documents of that respective investment.
- Other unlisted trusts (including hedge funds) are valued by an administrator appointed by the Investment Manager who will apply independent pricing through a pricing vendor or service to the investments.

Across Private Market investments, to the extent such information is accessible, the Trustee reviews material inputs used by external Investment Managers in forming their private asset valuations; and seeks to confirm that known events in broad financial markets, as well as at the specific company / investment level, have been taken into account in forming the valuation.

*Fair value in an inactive or unquoted market*

The fair value of financial assets and liabilities that are not traded in an active market is determined using valuation techniques. These include but are not limited to the use of recent arm's length market transactions, reference to the current fair value of a substantially similar instrument, discounted cash flow techniques, option pricing models or any other valuation technique that provides a reliable estimate of prices obtained in actual market transactions.

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**12. FINANCIAL INSTRUMENTS (CONTINUED)**

**(i) Fair value measurements (Continued)**

**Fair value measurements of the underlying PST's investments (Continued)**

*Valuation adjustments to unlisted investments*

Where there is a delay in the timely receipt of valuation for unlisted investments from the investment managers, the Trustee applies a systematic quarterly valuation adjustment. This adjustment is based on the performance of a comparable public market index over the relevant period and a relevant adjustment factor representing an estimate of the change in value implied by past relationships to the selected comparable public market index.

This adjustment aims to assist in preserving equitable member outcomes from the impact of delays in receipt of valuations from primarily international investment managers. A special situation valuation adjustment is able to be made when, in management's judgment an unlisted valuation does not represent fair value and is required to preserve equitable member outcomes.

As at 30 June 2025, a systematic quarterly valuation adjustment was applied to the most recently available investment manager valuations of unlisted Australian controlled entities of \$324.2m (\$68.8m in 2024), unlisted international trusts of \$3.4m (\$0.4m in 2024) and unlisted Australian trusts of \$2.1m (\$0.5m in 2024), representing 2.0%, 0.2% and 0.0% of the unlisted Australian controlled entities, international trusts and Australian trust portfolios respectively (0.5%, 0.0% and 0.0% in 2024).

**13. RELATED PARTIES**

**(a) Trustee**

Commonwealth Superannuation Corporation (CSC) was the Trustee throughout the reporting period. No fees were charged by CSC for acting as Trustee of the Scheme during the reporting period.

**(b) Key Management Personnel**

The Directors of CSC throughout the year ended 30 June 2025 and to the date of this report were:

Ariane Barker (Term ended 30 June 2025)	Garry Hounsell (Chair) (Term ended 31 December 2024)
Juliet Brown	David Mulhall
Melissa Donnelly	Arundhati Tandel (Appointed 1 July 2025)
Lee Goddard	Janet Torney (Chair) (Appointed 31 March 2025)
Andrea Hall	Alistair Waters (Term ended 30 June 2025)
Jacqueline Hey	

In addition to the Directors, the following Executives of CSC had authority and responsibility for planning, directing and controlling the activities of the Scheme throughout the year ended 30 June 2025 and until the date of this report:

Paul Abraham	Executive Manager, Investment Services (Until 27 April 2025)
Catharina Armitage	Chief People Officer (Previously Executive Manager, People until 27 April 2025)
Robert Firth	Chief Risk Officer (Ceased ended 4 July 2025)
Damian Hill	Chief Executive Officer
Andrew Matuszczak	Chief Transformation and Information Officer
Adam Nettheim	Chief Customer Officer
Alana Scheiffers	General Counsel (Ceased 27 May 2025)
Alison Tarditi	Chief Investment Officer
Nevein Versace	Chief Risk and Compliance Officer (Appointed 18 August 2025)
Andy Young	Chief Operating Officer

**Commonwealth Superannuation Scheme**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 30 June 2025**

**13. RELATED PARTIES (CONTINUED)**

**(c) Key Management Personnel Compensation**

The aggregate compensation of the key management personnel apportioned to the Scheme is set out below:

	<b>2025</b>	<b>2024</b>
	<b>\$'000</b>	<b>\$'000</b>
Short-term employee benefits	<b>45</b>	53
Post-employment benefits	<b>2</b>	3
Other long-term employee benefits	<b>1</b>	1
Termination benefits	<b>5</b>	-
	<b>53</b>	<b>57</b>

Aggregate compensation in relation to the Scheme is a pro-rata apportionment of the overall compensation paid by the Trustee, based on the net assets of the entities under its trusteeship or actual control.

The compensation of key management personnel (including Directors) related to investment management is charged against the assets of the AIT that are referable to the Scheme.

The Scheme has not made, guaranteed or secured, directly or indirectly, any loans to key management personnel or their personally-related entities at any time during the year.

**(d) Investing entities**

Throughout the year ended 30 June 2025, the Scheme's only investment consisted of units in the AIT, which was established to provide a cost-effective means of gaining exposure to a broad range of listed and unlisted securities across various asset classes.

The other investors in the AIT throughout the year were the Commonwealth Superannuation Scheme, the Public Sector Superannuation Scheme, the Public Sector Superannuation Accumulation Plan and the Australian Defence Force Superannuation Scheme. All investing transactions are conducted under normal industry terms and conditions.

The Trustee of the Scheme, Commonwealth Superannuation Corporation, is the trustee of the following regulated superannuation schemes: Commonwealth Superannuation Scheme, the Public Sector Superannuation Scheme, the Public Sector Superannuation Accumulation Plan, the Military Superannuation and Benefits Scheme and the Australian Defence Force Superannuation Scheme.

The Trustee pays costs of and incidental to the management of the Scheme and the investment of its money from the assets of the AIT that are referable to the Scheme (see Note 7(c)).

The Scheme held the following investments in related parties at 30 June:

	<b>Fair Value of</b>	<b>Fair Value of</b>	<b>Changes in Fair</b>	<b>Changes in Fair</b>
	<b>Investment</b>	<b>Investment</b>	<b>Value of</b>	<b>Value of</b>
	<b>2025</b>	<b>2024</b>	<b>Investments</b>	<b>Investments</b>
	<b>\$'000</b>	<b>\$'000</b>	<b>\$'000</b>	<b>\$'000</b>
ARIA Investments Trust	<b>865,647</b>	1,021,078	<b>90,327</b>	89,966
	<b>865,647</b>	1,021,078	<b>90,327</b>	89,966

**14. COMMITMENTS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

The Scheme had no capital or other expenditure commitments at 30 June 2025 (2024: \$Nil).

In the normal course of business, requests are made by members and former members for the review of decisions relating to benefit entitlements of the Scheme which could result in additional benefits becoming payable in the future. Each request is considered on its merits prior to any benefit becoming payable. In the opinion of the Trustee, these requests do not represent a material liability on the Scheme.

There were no other contingent liabilities or contingent assets for the Scheme at 30 June 2025 (2024: \$Nil).

**15. SUBSEQUENT EVENTS**

No matters have arisen since 30 June 2025 that have materially affected, or may materially affect, the operations of the Scheme, the results of those operations, or the financial position of the Scheme in future financial years.

## **INDEPENDENT AUDITOR'S REPORT**

### **To the Minister for Finance and Members of the Commonwealth Superannuation Scheme**

#### **Opinion**

In my opinion, the financial report of Commonwealth Superannuation Scheme (the RSE) for the year ended 30 June 2025 is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the RSE's financial position as at 30 June 2025 and of its performance for the year then ended; and
- (b) complying with Australian Accounting Standards and the Corporations Regulations 2001.

The financial report of the RSE, which I have audited, comprises the following as at 30 June 2025 and for the year then ended:

- Statement by the Trustee of the Commonwealth Superannuation Scheme ('Scheme')
- Statement of Financial Position;
- Income Statement;
- Statement of Changes in Members Benefits;
- Statement of Changes in Equity;
- Statement of Cash Flows; and
- Notes to and forming part of the financial statements, comprising material accounting policy information and other explanatory information.

#### **Basis for opinion**

I conducted my audit in accordance with the Australian National Audit Office Auditing Standards, which incorporate the Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the RSE in accordance with the auditor independence requirements of the *Corporations Act 2001* and the relevant ethical requirements for financial report audits conducted by the Auditor-General and their delegates. These include the relevant independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) to the extent that they are not in conflict with the *Auditor-General Act 1997*. I have also fulfilled my other responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion

#### **Other information**

The Directors are responsible for the other information. The other information comprises the information included in the annual report for the year ended 30 June 2025 but does not include the financial report and my auditor's report thereon.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

### **Directors' responsibility for the financial report**

The Directors of the RSE are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and the form agreed with the Minister for Finance and the requirements of the *Superannuation Industry (Supervision) Act 1993 (SIS Act)* and the Superannuation Industry (Supervision) Regulations 1994 (SIS Regulations). The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the ability of the RSE to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the RSE or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial report**

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian National Audit Office Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian National Audit Office Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the RSE's internal control;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors;
- conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the RSE's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the RSE to cease to continue as a going concern; and
- evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the Directors with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, actions taken to eliminate threats or safeguards applied.

## **Report on the Remuneration Report**

### *Opinion on the Remuneration Report*

We have audited the Remuneration Report included in the Directors' Report for the year ended 30 June 2025.

In our opinion, the Remuneration Report of Commonwealth Superannuation Scheme, for the year ended 30 June 2025, complies with section 300C of the *Corporations Act 2001*.

### *Responsibilities*

The Directors are responsible for the preparation and presentation of the Remuneration Report in accordance with section 300C of the *Corporations Act 2001*. Our responsibility is to express an opinion on the Remuneration Report, based on our audit conducted in accordance with Australian Auditing Standards.

Australian National Audit Office
