

Early access – specified compassionate grounds

Benefit application form and information

Things you need to note:

Before you complete this form please read the **Product Disclosure Statement (PDS)** for your scheme and the **Early access to your super benefits factsheet**.

You will need to contact the **Australian Taxation Office (ATO)** for an approval letter to authorise the release of monies on specified compassionate grounds. For more information about approval for early access on these grounds, refer to the ATO website at ato.gov.au

Accessing your super early may significantly impact your eligibility for further benefits including a pension and retrospective invalidity (where these options are available).

This form is for...
CSS, PSS, MilitarySuper, ADF Super and PSSap members.
If you have any questions regarding this form please refer to the contact details on the last page.

Who should use this form

Use this application if you are an ‘eligible member’ and the ATO has approved an early release of benefits on compassionate grounds.

* You will need to provide a copy of the ATO’s approval* letter with this completed form.

Note: Any release of benefits must also be in accordance with scheme rules.

We can only release the full amount approved by the ATO if there is enough equity in your account that can be released.

Who is an eligible member?

An ‘eligible member’ is a contributing, preserved, or associate member of a CSC scheme, excluding:

- Pensioners
- CSS Associate members
- * • DFRDB members (unless you have a MilitarySuper Ancillary Account)
- MilitarySuper members who have reached age 60.

Note: MilitarySuper contributing members, as well as members aged 55 to 59, are only eligible to access their Ancillary Benefit.

What you need to provide with your application

For your application to be processed, Commonwealth Superannuation Corporation (CSC) requires:

- this form to be fully completed; and
- a copy of your ATO approval letter to be attached, which will authorise the release of monies on specified compassionate ground; and
- that your identity is verified (refer to Identification requirements on page 4).

Tax File Number

Under the *Superannuation Industry (Supervision) Act 1993*, CSC is authorised to collect, use and disclose your tax file number. We may disclose your tax file number to another superannuation provider when your benefits are being transferred, unless you request to us in writing that your tax file number not be disclosed to any other superannuation provider. Declining to quote your tax file number is not an offence, however giving your tax file number to us will have the following advantages:

- we will be able to accept all permitted types of contributions to your account/s;
- other than the tax that may ordinarily apply, you will not pay more tax than you need to—this affects both contributions to your superannuation and benefit payments when you start drawing down your superannuation benefits; and
- it will make it much easier to find different superannuation accounts in your name so that you receive all your superannuation benefits when you retire.

Identification requirements

To confirm your identity, we require some information from you—this is to protect your benefit against fraud, money laundering and terrorism financing, under the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006*. CSC may request additional identification documents for verification purposes, where required.

Verifying your documents

Identifying documents may be verified through the Document Verification Service (DVS). DVS is a national online system that allows approved government agencies and organisations to compare a member's identifying information with a government record. It is not a database and does not store any personal information. Requests to verify a document are encrypted and sent via a secure communications pathway to the document issuing authority for checking.

If you don't provide authorisation to have documents verified electronically or your documents are incompatible with DVS, you will need to provide certified copies of required documents. Please also refer to the section Certifying your documents.

An electronic copy of your identification documents will be stored in a secure environment and hard copies will be securely stored off-site. All copies will only be used for the purpose of confirming your identity. You need to send in identification with every application.

DVS is only compatible with some identification documents, these have been listed below.

Certifying your documents

If you're providing certified documents, the certifying authority must confirm in writing you are the valid holder of the identification you are presenting, and any copies are true copies of the original.

IMPORTANT: The certification must include the name, signature, qualification and registration number of the certifying authority (if applicable), and the date of the certification.

The following sample of certifying authorities can certify your documents in Australia:

- Dentist
- Employee of a Commonwealth authority engaged on a permanent basis with five or more years of continuous service who is not specified elsewhere in this document
- Financial Adviser or Financial Planner
- Justice of the Peace (JP)
- Legal Practitioner
- Medical Practitioner
- Member of the Australian Defence Force who is:
 - an Officer; or
 - a Non-Commissioned Officer within the meaning of the *Defence Force Discipline Act 1982* with five or more years of continuous service; or
 - a Warrant Officer within the meaning of that Act.
- Midwife
- Notary Public
- Nurse
- Occupational therapist
- Physiotherapist
- Psychologist.

For a full list of certifying authorities refer to **Schedule 1** of the *Statutory Declarations Regulations 2023* available at legislation.gov.au/F2023L01753/

Note: We require a copy of both sides of your identification document.

How can I meet the identification requirements?

You only need to provide **one** document from the **Primary photographic identification** category. If you can't provide any **Primary photographic identification** you will need to provide **one** secondary identification document from List A AND **one** secondary identification document from List B. We can only accept documents that are listed below for identification purposes.

If the name we hold on file for you is different to the name on your identification, or two pieces of identification are in different names, please provide a certified copy of your **Marriage or Change of Name certification**.

If you would like us to use DVS to verify your identification, please check both boxes below.

- I confirm that I am authorised to provide the personal details presented and I consent to the information being checked with the document issuer or official record holder via third party systems for the purposes of confirming my identity.
- I have attached identification for DVS verification.

You must provide a copy* of one of the following:

Primary photographic identification

DVS compatibility is shown as  or 

-  A current Australian Driver's Licence (front and back of licence must be provided).
-  A current Australian Passport (or one which has expired within the last two years).
-  A current Australian Proof of Age card (issued under a State or Territory law).

If your documents are incompatible with DVS, don't forget to provide certified copies.

Secondary identification requirements

Only provide these documents if you're unable to provide **one** of the **Primary photographic identification** documents.

List A

-  Your Australian Birth Certificate or extract issued by a State or Territory.
Please note: Birth Certificate extracts and Birth Certificates issued before 1970 may not be verified by DVS.
-  Your Citizenship Certificate issued by the Commonwealth.
-  Your current Pensioner Concession Card issued by the Department of Human Services.

List B

-  Your notice issued by the Australian Taxation Office (ATO) within the last 12 months that shows your name, current residential address, and records an amount payable either to or from the ATO.
-  Your notice issued by a local council or utilities provider in the last three months showing the provision of services and current residential address. **For example:** rates notice, electricity or water bill.
-  Your notice issued by the Commonwealth or a State or Territory government within the last 12 months showing your name and current residential address, and the provision of a financial benefit. **For example:** a Centrelink letter.

Members residing overseas

If you live overseas and provided an overseas bank account, you need to meet 100 points of identification requirement and need to have documents certified, it needs to be done by a person in a foreign country who is authorised by law in that jurisdiction to administer oaths or affirmations or to authenticate documents.
