### 1. Explanatory notes start

### Please read this first

Your deferred benefit can only be released on medical grounds if Commonwealth Superannuation Corporation (CSC) is satisfied that, at the time of your application, you have, because of invalidity or physical or mental incapacity, become totally and permanently incapacitated within the meaning of CSS Rules.

To be totally and permanently incapacitated means that, because of a mental or physical condition, it is unlikely that you will ever be able to work again in any employment for which you are reasonably qualified by education, training or experience or could be reasonably qualified after retraining.

If you think you meet this definition, you should forward the following documents:

- medical questionnaire (attached) completed by your treating doctor
- · completed authorities (attached)
- copies of other medical reports in your possession which would support your application
- evidence of cessation of employment with your most recent employer\*
- evidence of eligibility for payment of lump sum entitlement tax free\*\*
   and
- this application form.
- \* The evidence you provide to show whether you have ceased employment should be a document from your employer, such as their acceptance of your cessation or a final Group Certificate, and should include the date and reason of cessation.
- \*\* You may be eligible to be paid any lump sum portion of your entitlement tax free, if you are able to provide documents to show that you meet the Australian Taxation Office definition of a terminally ill payee, which is:

A payee will be taken to be terminally ill if it is certified by two medical practitioners (at least one of whom is a specialist) that they are suffering from an illness which in the normal course would result in death within a period of 24 months.

Please note that medical evidence provided or obtained for the purpose of assessing your claim may be referred to any doctors or service providers considered necessary.

You should also note that, even if you are receiving a disability pension from any other agency, this does not mean that you will automatically satisfy the above definition of total and permanent incapacity.

Once your application has been received by us:

- The medical evidence you have provided will be examined and more medical information sought from your treating doctor if necessary.
- An appointment will then be made for you to be examined by an Occupational Physician.
- You may also be referred for independent specialist examination.
- All medical reports will then be sent to an independent Invalidity Assessment Panel. The Panel provides recommendations to CSC regarding whether or not you can be considered to be totally and permanently incapacitated.

Please note that this process may take some months, unless you are suffering from a terminal condition, in which case the application will be handled urgently.

If you have questions about any of the above, please call 1300 000 277.

### Section B – Identification requirements

To guard against fraud, money laundering, terrorism financing, you need to provide us with information to verify your identity before your request can be processed. The identification documents you send us will be verified electronically using a Document Verification System, or you can provide certified copies of your documents with your application. If you supply certified documents, the person certifying them must attest that the documents are true copies, and that you are the valid holder of the identification. Copies of your documents will be scanned and stored on our secure document management system.

### **Identification requirements**

To confirm your identity, we require some information from you—this is to protect your benefit against fraud, money laundering and terrorism financing, under the Anti-Money Laundering and Counter-Terrorism Financing Act 2006.

### Verifying your documents

Identifying documents may be verified through the Document Verification Service (DVS). DVS is a national online system that allows approved government agencies and organisations to compare a member's identifying information with a government record. It is not a database and does not store any personal information. Requests to verify a document are encrypted and sent via a secure communications pathway to the document issuing authority for checking.

If you don't provide authorisation to have documents verified electronically or your documents are incompatible with DVS, you will need to provide certified copies of required documents. Please also refer to the section Certifying your documents.

An electronic copy of your identification documents will be stored in a secure environment and hard copies will be securely stored off-site. All copies will only be used for the purpose of confirming your identity. You need to send in identification with every application.

DVS is only compatible with some identification documents, these have been listed below.

### **Certifying your documents**

If you're providing certified documents, the certifying authority must confirm in writing you are the valid holder of the identification you are presenting, and any copies are true copies of the original.

IMPORTANT: The certification must include the name, signature, qualification and registration number of the certifying authority (if applicable), and the date of the certification.

The following sample of certifying authorities can certify your documents in Australia:

- Dentist
- Employee of a Commonwealth authority engaged on a permanent basis with five or more years of continuous service who is not specified elsewhere in this document
- Financial Adviser or Financial Planner
- Justice of the Peace (JP)
- · Legal Practitioner
- Medical Practitioner
- Member of the Australian Defence Force who is:
  - · an Officer; or
  - a Non-Commissioned Officer within the meaning of the Defence Force Discipline Act 1982 with five or more years of continuous service; or
  - a Warrant Officer within the meaning of that Act.
- Midwife
- Notary Public
- Nurse
- · Occupational therapist
- Physiotherapist
- · Psychologist.

For a full list of certifying authorities refer to **Schedule 2** of the *Statutory Declarations Regulations* 2018 available at www.legislation.gov.au/Details/F2018L01296

### How can I meet the identification requirements?
