Upcoming website updates

We're planning a series of updates to the employer section of our website over the coming months, including navigation, tools, information and more.

You'll see the first of these updates on Thursday 19 June, this includes enhanced information on how we support you and your employees.

As we continue to make improvements we would love your [feedback](#) and look forward to bringing you more updates shortly.

The changes will be seamless and will not disrupt your access to our employer website during business hours.

If you have any questions or need support, give us a call on 1300 338 240 or at employer.service@contact.csc.gov.au

Kind regards,

Tim Hart,
Manager, Employer Engagement

Target Market Determination

To ensure that CSC is keeping customers at the centre of our approach to the design and distribution of our products, a Target Market Determination (TMD) has been made for ADF Super, PSSap and CSCri. A TMD describes the types of customers a financial product is appropriate for based on their likely needs, objectives and financial situation (target market), and it establishes the conditions and restrictions in relation to how the product can be distributed to customers. The TMD also describes our reporting requirements, and events or circumstances where we may need to review the TMD. CSC TMD's can be found on our website csc.gov.au/tmd.
